The Time

When time runs and there’s nothing left
When faith has ended and replaced with death
We are building a golden calf
Building to big house
Building to big car
Building to many things

Dying inside you said ¨my anger will come upon you
Dying inside you said and I will destroy you
I say calm your burning anger and forsake the evil in your mind

When time runs and there’s nothing left
When faith has ended and replaced with death
We are building a golden calf
Building to big house
Building to big car
Building to many things

Dying inside you said ¨my anger will come upon you
Dying inside you said and I will destroy you
I say calm your burning anger and forsake the evil in your mind

I say I lay down my sword and shield
I say I lay down my sword and shield
Lay down my sword and shield
Lay down my sword and shield
