Bike Love song 4/4 140BPM

My loves like a bike you can ride it if you like
My loves like a bike you can ride it if you like
I'll keep rolling around your house every night

Cho cho goes my rhythm bell
Cho cho goes my rhythm bell
My rhythm bell sounds like a magic spell

Beep beep ill blow me fancy horn
Beep beep ill blow me fancy horn
Ill blow me fancy horn until you starts to moan

Flip flap flip flap flopidy flow
Flip flap flip flap flopidy flow
I'll hold me banner high until you starts to glow

Pen pee pee pee peekaboo
Pen pee pee pee peekaboo
When were through there's nothing left to do

Ride ride ride me loving bike
Ride ride ride me loving bike
You may ride me loving bike whenever you like

My loves like a bike you can ride it if you like
My loves like a bike you can ride it if you like
You may ride me loving bike whenever you like
